

Dear valued Customer,

As The Sea Dog Restaurant heads into the winter season we are adjusting our hours as usual however this year we decided to do something different.

Instead of spending money on advertising to get the word out we decided to put our money where your mouth is.

Help us get the word out about the winter hours and take advantage of the attached coupon worth \$2 off your meal, bring a friend and the coupon is worth \$5.

The coupons can be applied to larger groups as well and even for Christmas parties. If you have not booked your party call today (902) 875-1131 for arrangements.

We are also available for catering and private parties on either floor.

Feel free to make as many copies as you wish. Offer ends Dec 24<sup>th</sup>, 2009
